PINELLAS COUNTY 2012

LOCAL PUBLIC HEALTH SYSTEM PERFORMANCE ASSESSMENT

SPONSORED BY:
PINELLAS COUNTY HEALTH DEPARTMENT

Community Health Assessment (CHA)

- The process of systematically collecting, analyzing, and using information to educate and mobilize communities, develop priorities, gather resources, and plan actions to impact health.
- Assessment is one of the core functions of public health and community health assessment is the foundation for improving and promoting healthier communities.

MAPP

- The assessment was conducted utilizing the Mobilizing for Action through Planning and Partnerships (MAPP) framework.
- MAPP is a community driven strategic approach to community health improvement planning developed by the National Association of County and City Health Officials and CDC.

NACCHO
National Association of County & City Health Officials

MAPP ASSESSMENTS

Community Themes & Strengths

What is important to our community? Perceptions about quality of life? What assets do we have?

Local Public Health System

What are the activities, competencies, and capacities of our local public health system?

Forces of Change

What is occurring or might occur that will affect the LPHS or the community?

Community Health Status

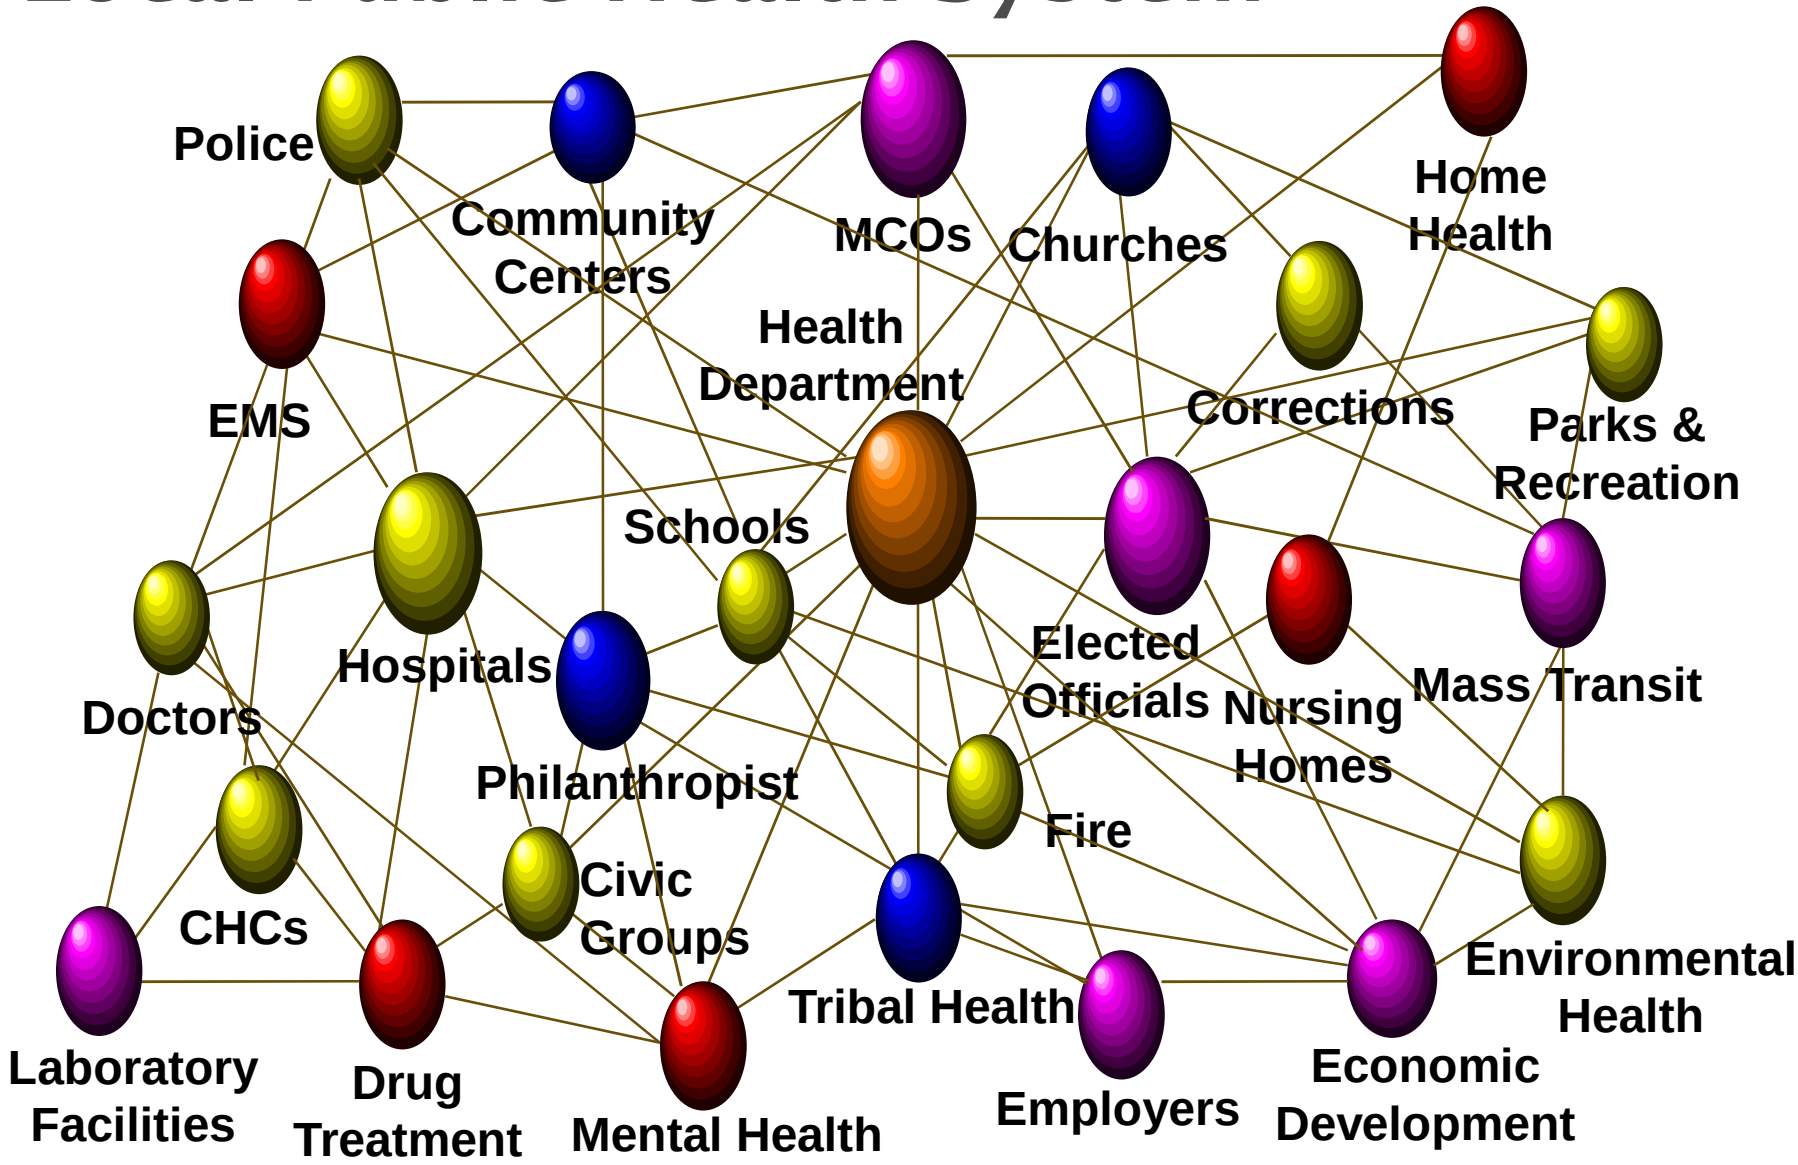
What does our health status look like? How healthy are our residents?

IDENTIFY & SELECT STRATEGIC PRIORITIES

Local Public Health System Performance Assessment

The Local Public Health System Performance Assessment focuses on all of the organizations and entities that contribute to the public's health in our community.

Local Public Health System



Local Public Health System Performance Assessment

Answers the following questions:

- What are the components, activities, competencies, and capacities of our local public health system?
- How are the essential public health services being provided in our community?

Local Public Health System Performance Assessment

- Sponsored by the Pinellas County Health Department and conducted by the Suncoast Health Council via 2 half day collaborative sessions on July 28 and August 11, 2011.
- Self assessment based on the CDC National Public Health Performance Standards Program (NPHPSP)
